

Preparing for RAYunion 2017, Second Request

In getting organized for the RAYunion, we're putting together a database to help us. We'll be using it to print name tags, get gifts for wives and many other chores. It will be the heart of the web site as well (see "<http://olc.net/ray/>").

PLEASE respond to this note so we can include your data, even if you don't intend to attend the RAYunion at this point in time – this data will be passed on to the next RAYunion.

We don't care how you return this to us. You can print the page, fill it in, and mail it to me (address below). Or you can fill it in, scan it and e-mail it to me (address below). Or just make up an email with the same information (by number) and send it to me. Whatever is easiest for you.

Items 6 through 10 will not be divulged to anyone. You can skip 1-10 if you sent them previously.

- | | |
|----------------------------|----------------------------|
| 1. Last Name | 6. Street Address |
| 2. First Name | 7. City |
| 3. Middle Name or Initial | 8. State |
| 4. Nickname while on board | 9. Zip (5-digit) |
| 5. E-Mail Address | 10. Preferred Phone Number |

Here are the newer items:

11. Year Reported Onboard
12. Year Detached from RAY
13. Highest RATE/RANK held while on RAY
14. Highest RATE/RANK held in your Navy career
15. Number of people attending RAYunion 2017 (you can send this later, when known)
16. Wife's Name if attending (for nametags, place settings, etc.)

We'll primarily use e-mail for notifications but we want the other data in case your e-mail address changes. We don't want to lose you. Remember also we have a Facebook page called "USS Ray (SSN-653)" for fun; it's a closed group, but your request to join will get you in.
